- Delivering Professional Products and Services to Members and other Stakeholders

## The Safety Institute of Australia

The Safety Institute of Australia (SIA) is the national association for the health and safety profession. Our vision is for safe and healthy workers in productive workplaces, and we pursue this vision by working to build the skills, knowledge and capability of the health and safety profession, and being a voice for that profession. With more than 4000 members across Australia and internationally, the SIA's role is to ensure the quality of practice and reputation of the health and safety profession.

## Independent Director

The SIA is currently seeking to engage 1 of 2 Independent Directors to join the ten member-elected Directors to oversee the implementation of its [2016 – 2021 Strategic Plan](#), and lead the development of the Institute

The SIA Board aims to have an appropriate mix of diversity, skills and experience. For this role, the successful candidate will have a background in business development and growth, and digital disruption/technology.

They will have a level of comfort working with people at executive levels within business, as well as experience in strategic management, business intelligence, critical thinking and customer service OR knowledge and experience in working within the service delivery sector.
