HSE ADVISOR

For a consultancy role 3 days / week on our Adelaide projects

SITZLER are a multi disciplined construction contractor that has been operating since 1976 and undertakes projects throughout NT, SA & WA.

Sitzler maintain an integrated Management System, independently certified to comply with OHSAS 18001, AS/NZS 4801, ISO 14001, ISO 9001 and the Federal Safety Commission OHS Accreditation Scheme.

We are seeking HSE Advisors who thrive in challenging situations and are passionate about promoting continual improvement in Safety, Environment and Quality in every aspect of our operations.

Attributes/Skills

- You will hold minimum Certificate IV in Occupational Health & Safety
- Minimum of 2 years HSE experience in a construction related role
- Comprehensive knowledge and understanding of legislation and OFSC criteria
- Highly motivated with a proactive, hands on and effective problem solving approach
- Exposure to working on large scale commercial & civil projects including understanding of materials and methods
- Strong communication & organisational skills.
- Intermediate computer skills with attention to detail
- First Aid, Fire Warden & Extinguisher Training, Internal Auditor competency, Electrical Test & Tag Licence, Working at Heights, EWP High Risk Work Licence
- Nationally Recognised Construction Induction
- Drivers Licence

Responsibilities

- Facilitate and manage HSE compliance related to the project and reporting directly to the Project Manager & SEQ Manager
- Facilitate training, inductions, inspections / audits, incident investigations, reporting functions and coordination of consultation & communication forums
- Prepare / review SWMS for works associated with the project
- Maintain compliance and accurate records in accordance with the Sitzler management system and legislative requirements
- Provide HSE leadership and guidance to project staff

Salary will be according to experience. Sitzler is an equal opportunity employer.
